

# LEAD TEAM OPPORTUNITIES

---

## SENIOR RECOGNITION

**Plan the senior breakfast with Jane Gibbs; send out invitations to seniors and their families; organize the speaker and morning program; designate someone to create a video or other creative program to honor the seniors.**

## THE MIX WEEKENDS

**Organize teams of leaders to plan and carry out weekend events; work with lead teams from other church to plan activities; help organize host homes; organize cookouts for the Saturday night event.**

## MISSIONS

**Organize the Acts of Random Kindness nights; organize various mission projects during the year (such as yard work, car washes, visiting senior adults in assisted living, etc.); help with the youth's ongoing coffee ministry.**

## VALENTINE'S BANQUET

**Organize volunteers for set-up, clean-up, food preparation, decoration, entertainment, games, etc; design the invitations for the senior adults; advertise the event.**

## SUPER BOWL PARTY

**Given the large attendance, we need help planning two parties--one for middle school and one for high school. Both groups will need to help plan games, bring food, buy prizes for giveaways, etc.**

## PROGRESSIVE DINNER

**Plan a youth-wide progressive dinner that tells the Christmas story in segments (middle school and high school will have separate dinners and join for worship at the end); find host homes for the meal segments and volunteers to help with set-up and clean-up at each home.**

## **FALL RETREAT**

**Plan & coordinate all the trip logistics; recruit loaders and un-loaders; organize parents to make snacks, etc.**

## **CARE TEAM**

**Organize creative ways to provide encouragement to those that serve in our youth ministry.**

## **HIGH ATTENDANCE DAY**

**Organize the Sunday morning event by developing a creative experience for our youth and their friends--this includes preparing breakfast, entertainment, games, etc., and establishing an accountability system for our youth.**
