# STUDENT MINISTRY

*Trinity Baptist Church*

Investigate my life, O God, find out everything about me; cross examine and test me, get a clear picture of what I'm about; see for yourself whether I've done anything wrong—then guide me on the road to eternal life.

Psalm 139.23-24  
(The Message)

## STUDENT LIFE

A new look at traditional Sunday school. Our curriculum will take each student through the entire Bible twice during their time in our youth group (grades 6-12).

## IGNITE

A mid-week gathering for praise and worship designed to IGNITE a fire for Christ in the lives of our youth.

## LINKED

This Sunday evening ministry is all about our youth LINKING together with Christian friends to "do life" together. We bring a variety of activities together, such as small groups for discipleship and accountability, missions through our Acts of Random Kindness and Right Now ministries, game nights, and other special events.

## FULLER'S BREAKFAST

This Tuesday and Thursday morning gathering is all about food and fellowship. This time offers a casual environment for students to come and be a part of our youth group. We meet at Fuller's Fried Chicken (in front of Rose's) every week. Middle school meets on Tuesday and High school meets on Thursdays at 7:15 AM. The church bus will take students to school after breakfast.
